Password: **Money**

Click on

A level, then Core 3

This will provide access to information on any topic areas you are still uncertain on. When ready to move on, use the following link to the OCR website where you can download a past exam paper to practice.

http://www.ocr.org.uk/qualifications/type/gce/maths/maths_mei/documents/index.html

Click on the Past Papers link to access the relevant papers. Mark schemes are available too.

Lauren, how's the coursework?
